JaniTek delivers a technology enhanced, superior cleaning, and customer service experience. As a local company we are in this fight with you, there won't be any price gouging.

THE JANITEK DIFFERENCE:

CUSTOMER CARE Clean communication is what sets JaniTek apart from other janitorial services. Our customer service staff is available to you anytime day or night. You can reach us through phone, text, or email; whichever method is most convenient for you. Ask us about our Client Connect web portal coming soon.

JANITEK JANITORS We train and retain only the best staff. All employees take part in an extensive training program. Through our “Plus One Employer” program, we provide pay, benefits, and recognition that are unheard of in our industry.

SECURED SERVICE JaniTek is a fully insured, licensed and bonded janitorial company. All employees go through a comprehensive “1000 point” screening check and social security verification. We conduct security specific training and service checks. Our Dial-Direct check-in system pinpoints the time our team arrives and leaves your facility.

GREEN CLEANING Green Seal has awarded JaniTek with the Green Seal-42 certification, the highest certification for Commercial and Industrial Cleaning service providers. Anyone can use green cleaning products, JaniTek goes the extra mile by implementing green standards throughout the entire cleaning process.

SUPERIOR SAFETY JaniTek takes the “safety first” mantra to heart, both in practice and product. We know that a clean place is a safer place, and the efficiency of your business hinges on its atmosphere. This is why at JaniTek we partner with you, to make sure that your workplace is the cleanest, safest, and most productive environment it can possibly be.
